

Southeast Texas Barrel Racing Association

2024 Sponsorship Form

Thank you in showing interest in sponsoring the oldest barrel racing association in Southeast Texas!

Southeast Texas Barrel Racing Association (STBRA) was established in 1982. This is our 42nd year and we hope to make this year the best year yet with generous sponsors like you. For 41 years we have supported the Youth, Novice and Professional barrel racers in the greater Houston area by providing barrel and pole bending competitions. In 2021 STBRA became a non-profit 501(c)3 organization.

STBRA and its Sponsors strive to help support horse enthusiasts in the greater Houston area by holding various horsemanship related seminars at our races throughout the year. In return for your sponsorship STBRA will proudly announce your company name at our races. We will also include your company logo on social media posts. This is a great way to get your company name out in front of the thousands of competitors and spectators that attend our shows yearly.
